- Taxes and any fees assessed by a government entity not included.
- Actual speeds based on synch rate may vary and are not guaranteed. Many factors affect speed.

My Equipment

Charges are one-time only.

<input type="checkbox"/> Motorola High Speed DSL Modem	\$75.00
<input type="checkbox"/> Wireless Gateway	\$100.00

- Purchase equipment in the store or have it shipped.
- Modem or Gateway is required for High Speed Internet service and may be purchased separately. In some instances it may be necessary to have a professional installation performed by an AT&T authorized technician to ensure an optimal connection. This may be due to factors such as distance from AT&T facilities and/or the telephone wiring. The charge for a professional installation by AT&T is \$199.00.

Our Policies

AT&T may modify or cancel offer without notice. Other conditions may apply.

30-Day Equipment Return Policy

- All equipment purchased in-store must be returned with your receipt to the original point of sale. Returned equipment must be like new without any visible damage.
- All equipment shipped directly to you from AT&T must be returned in accordance with AT&T return policies, which are included with the equipment. For credit, call 1-877-722-DSL5 (3755) and request 30-Day Equipment return and credit will be issued.
- After 30 days from the Ship or Installation Date, AT&T will not accept the return of any equipment other than for warranty reasons.

One-Year Warranty and Exchange Policy

- If the modem/gateway becomes inoperable because of defective materials or workmanship within one year of the modem ship date for self-install customers or one year of the Professional Installation date, you may return the modem/gateway for replacement by AT&T. Warranty Instructions are included with your equipment or you may call 1-877-722-DSL5 (3755).

Additional Customer Information

- You must logon to <http://att.yahoo.com/terms> to complete the on-line registration process and accept Terms of Service.
- An order confirmation will be sent and is available at <http://att.yahoo.com/terms>.
- You will receive a Welcome Kit via US Mail within one week, which will also include Terms of Service.
- If you are updating your equipment or exchanging a 2Wire Gateway (Router), you must call 1-877-722-DSL5 (3755) to provide the serial number. Serial numbers are required for applicable rebates and are found on the bottom of the unit and marked "S/N".
